### ART DECO INDULGENCE IN THE HEART OF MELBOURNE

Like a gracious residence with its manicured grounds, grand sweeping staircase, striking silver balustrades and stately charm, Park Hyatt Melbourne embraces a cultured and sophisticated elegance. It's a glamorous world where fairy tales begin. Where dreams unfold. And it's yours.

Make your entrance in the magnificent foyer with its marble floors and get swept away in iconic art deco styling in superbly appointed event spaces that dazzle like opulent jewels. High tea, cocktail canapés or a sumptuous gourmet banquet awaits. The finest crystal, the most exquisite china, luxurious linen – every fine detail is artfully managed by the dedicated team of wedding specialists.

Sip French champagne while the jazz band plays. Twirl around the ballroom beneath a breathtaking silver-leafed dome in a sea of silk, satin, feathers and fur. Lounge on handcrafted furniture with its rich, lavish tones, admire original artwork sourced from exclusive galleries, experience impeccable service, and absorb the splendor of it all.
